# LEVELING UP FINANCIALLY

It's time to level up!  
This topic checks for and releases resistance  
in the way of you jumping ahead on your  
financial timeline, to a whole new more  
abundant level.

Everything and anything in your way, gone.  
Identify hidden and unseen resistance.  
Blocks you didn't know were there. Gaps in  
the path. All gone.

# HOW TO

STEP 1

## QUESTION

Ask your sway questions. Use the ones given, and also ask any others that pop to mind. Allow your body to sway forward for yes, and back for no.

STEP 2

## CHECK

Once you find resistance, ask "Can I release this now?". If you get a no, ask other questions to find areas you can release. If you get a yes, release.

STEP 3

## RELEASE

Follow the release statements given, or use your own if other words come to mind.

REPEAT 3x *"I am ready to release [what you are releasing].  
I release it now. I release it now. I release it now"*

STEP 4

## CONFIRM

Ask "Have I released this now?". If no, go back to question/check/release. If yes, move forward to align.

STEP 5

## ALLOW

Use the allowing statements given, or use your own if other words come to mind.

REPEAT 3x *"I am ready to allow [what you are allowing].  
I allow it now. I allow it now. I allow it now"*
