MONTH 6

MONTH 6

RAISING YOUR MONEY VIBRATION

Every 3 months we will be raising your money vibration.

Each week has a Part 1 to release limiting money beliefs, and a Part 2 exercise to raise your money vibration. Some beliefs & parts of the exercise may be repeated or sound similar. Trust it is for a purpose and check each one.

You will notice Week 4 looks at any gap between your current reality and your energetic numbers. You may find you are energetically aligned to a far higher number than your current reality displays. This gap can attract opportunity, ideas and more. Allow all in it's perfect time!

P.S. If you are playing the Energetic Max Game, you'll find your tracking sheet on the last page.

HOW TO
